3. Mr. Lloyd stated that [REDACTED] has been temporarily detailed to the Deputy Director (Support) to serve as liaison with the architects. He requested that the present liaison arrangements on building matters be continued, however, with the Building Planning Staff. 25X1A9a

5. Mr. Lloyd related that there were some misgivings at the last Senior Staff Meeting concerning undignified posters being used in Agency buildings. He asked that any posters proposed by DD/S components be cleared with him until some system is established. 25X1C

6. Mr. Lloyd suggested that in connection with the JOF recruitment program, nominations of candidates would be most welcome and should be referred to the Office of Personnel.

7. Mr. Lloyd asked that proposals for new legislation be submitted to him as soon as possible, and that the Staff be prepared to discuss such proposals at the next Staff Meeting. Norman Paul indicated that last year our legislative proposals did not get out of the Bureau of the Budget in time. He hoped that this situation could be rectified this year. 25X1A9a

8. General [REDACTED] announced that [REDACTED] his opposite number [REDACTED], will visit the United States. Liaison will be effected through [REDACTED] and there are no present plans for any unofficial or personal contacts. 25X1C
